Conflict Minerals Declaration

As a global supplier of electronic and electronic products, Teamwise is aware of our obligations with regards to laws and regulations regarding Conflict Mineral, especially the Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502.

Teamwise does not directly source or process conflict minerals such as Tin, Tantalum, Tungsten or Gold.

Conflict minerals are contained in our products in the form of solder, electronic components, or as a component in metal alloys for our mechanical parts.

As part of our reasonable due diligence Teamwise is collaborating closely with our suppliers to comply with this law by means of declaration from suppliers or the declaration obtained in the supplier's website in order to reflect this policy.

Based on the information received thus far we declare that our products contain Conflict Minerals sourced from conflict-free areas.

Sincerely,

H.F. Tsang
General Manager
Teamwise Ltd.
